Memphis McQualter: your work in literacy has been impressive and you are producing some great work. Keep up the good work!

Lucas Gange: Lucas, you have made some great gains in your Maths over the term. You should be proud of what you've achieved.

PRINCIPAL'S PRATTLE!

It seemed a very short week with the Queen's Birthday Public holiday and then a Pupil Free day on Tuesday. The staff worked extremely hard on Tuesday and got a greater part of the work done redeveloping the scope and sequence chart for Literacy. I would like to thank our wonderful staff, for not only the work that they put in on the day, but also the work they do every day ensuring our students get the best possible education that we can provide. They do this in a professional manner, with care, compassion and a great deal of hard work.

We had a bit of a scare with our big oak tree the other day where one of our parents heard a loud crack coming from the tree. We have had the tree checked by an arborist and I am happy to say that the tree is healthy and will be around for a lot longer. It was given a bit of a haircut to tidy things up, but was given a bill of good health.

JSC Tonight: Our Junior School council has organised a movie night for this evening, with Wreck it Ralph and The Boy Who Would be King as the chosen movies.

After School Sports are still going strong with good numbers attending both the junior and senior sessions alike.

Extra Curricular Activities for next week: Next Tuesday sees our P/1/2 students head down to Old Gippstown in Moe as part of their studies on the past and the present. After they leave Old Gippstown they then have a tour of Woolworths Supermarket in Moe. I am sure that both these experiences will be very worthwhile.

JSC: Our JSC have organised to be part of the World's Biggest Morning Tea. This will be happening next Wednesday. They have organised fliers etc. to be sent home for this event.

Thorpdale Primary School Open Day: This will be happening next Thursday and the school will be open to visitors from 9:00am to 10:30am. We invite anyone who is interested in our school to come and have a look at what we do here at this wonderful rural school.

Principal's Awards: The school value that we are promoting this week is Respect.

Paityn Draper: It is wonderful to see and hear the way you are respectful to all the staff at Thorpdale PS. Well done!

Olive Flanagan: It is great to see you treat your classmates with so much respect. You show this with your polite manner and the way you treat your fellow students. Well done!

Tamsyn Conrad: You are always polite to all your friends and teachers alike. Well done!

Marlon Archipow: Marlon you can be relied upon to be polite and respectful to everyone around you. Well done!
