PRINCIPAL'S PRATTLE!

It is now getting close to the end of term one. This first term is really flying by! The classrooms are working well, the playground is very calm and our kids are doing marvellous things in and out of the classrooms.

I just left a classroom where our junior grade were using Spheros to have sumo wrestling battles in their classrooms. The coding involved to do this astounds me, but our kids are up to the challenge and are having an absolute ball with these robots.

Yinnar & District Whole School Athletics Day: This event (**Thursday 28th of March**) is not far away now, and as usual we rely on your assistance to make this day work successfully. We will need parent volunteers to assist us with looking after some of our various age groups as they go from event to event. If you are available and would like to help please let either your classroom teacher or myself know. Thank you.

Parent/Teacher/Student Interviews: Our Parent/Teacher/Student interviews will be conducted on Thursday 4th afternoon/evening and will continue on the morning of Friday 5th. If you have not received a booking slip to organise a time, please come into the office and pick one up. Thanks.

Junior School Council: The JSC run Free Dress Day raised just over \$100, which will go to supporting the local Thorpdale CFA. Well done, JSC.

Pupil Free Day: As the staff will be conducting interviews on the morning of Friday 5th of March. Students will not be required to attend school outside of their allotted interview time.

Firewood: There is still a very large pile of firewood that has been partially cut up on the boundary fence at the top corner of the school. Feel free to come in and collect some for the upcoming winter.

Potato Festival Info: We still have a couple of eskies left behind from our b.b.q at the Spud Festival. If they belong to you, please come into the office and claim them. Thanks!
