**Chloe Durkin:** You have received this award because of the wonderful way you helped the junior students organise and play their game of soccer during play time. Great leadership, Chloe! Well done.

### PRINCIPAL'S PRATTLE

I hope all our students and the parents lucky enough to get a break enjoyed the midyear holidays. We had quite a few families jet setting around the country, and in some cases overseas. It is great to see everyone back, safe and sound and ready to get stuck into another term's work.

Our students settled straight back into the routine of school life and are getting on with all their school requirements. On Thursday our students and our staff (I forgot) came dressed in their PJ's. They students raised \$91 to help support the Pyjama Foundation. They in turn give aid to children who are in foster situations and to Foster Care Agencies. Well done, everyone!

Mrs Roulston and Mrs Jenkins worked their fingers to the bone in the Library today where they did a stock take on all the books and equipment in the library. This was and is a monumental task and I could not believe how much of the task they completed. We have had no borrowing from the Library this week because of this stock take and we would love all our families to do a double check to ensure that there are no Thorpdale Primary School Library books hiding away under junior's bed or behind the couch. Thank you!

Our Senior Grade has been invited to join students from the Tanjil Valley Cluster in a Sports afternoon on Thursday 30<sup>th</sup> of July. The sport chosen for the day is Football (AFL) and we will be having mixed teams with all students participating. This event will be held at Willow Grove Primary School.
