## Parent Payments Policy 2023 Parent Payment Arrangements

Dear Parent,

Thorpdale Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for your support, either financial or volunteering of time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, science and physical education equipment and resources. This in turn supports them to be exemplary programs, together with our exceptional classroom teaching of the established subjects such as Reading, Writing and Maths.

Please find attached Thorpdale Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will help us to provide. Please note - there will be no individual book packs provided to students in 2023. All necessary consumable items will be supplied directly to classrooms in bulk and will be distributed to students as and when they are needed.

Department of Education guidelines now mandate that schools are **UNABLE** to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Alice Kenenth  
Acting Principal

Stuart Jennings  
School Council President

# PARENT PAYMENTS POLICY OVERVIEW

## FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

## PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

## FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

## SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
