## PRINCIPAL'S PRATTLE!

SIX WEEKS GONE ALREADY!! The time flew by for me up here in Thorpdale. This is my final week and final newsletter for Thorpdale Primary School. I just wanted to take the time to thank everyone for their positivity and the warm welcome I received .

The school is going well and the staff here are excited to make it even better,. I can see a great semester ahead, with a good mix of high-quality learning, mixed in with fun days (like tracky -dack day, cupcake day, footy colours, science week, book fair, etc all put on the Term 3 calendar). I hope the students enjoy a great holiday and come back ready for a fun Term 3.

### Ms KENNETH BACK FROM HOLIDAY

It will be great having Ms Kenneth back from her time off. She did a power of work before leaving and set me up to have a positive experience as the Acting Principal. I hope she enjoys her return and has lots of stories to tell the kids.

### REPORTS

Our reports have been finalised and should have either been sent home or getting delivered today. If you have any questions feel free to call me on 0400457459 or chat to one of the teachers when school resumes. As always, if you want to have a deeper discussion about your child's education then book a time with staff.

### LAST DAY OF TERM—FINISH 2.10pm

The bus company will be doing there first pick up at 2.10pm, so we will finish our school day then. Staff will be on duty until 2.30pm to ensure everyone is happily off to their break.

### \$3,000 of BOOKS ON THE WAY

Thanks to the work of Ms Reggardo, Mel Allsop and Ms Kenneth we received a grant to purchase books and materials to support our Sounds Write Program. These will be a great resource for our children as they continue to build their fundamental skills in literacy. Well done to those involved.

A final word to say goodbye to everyone. I hope you all enjoy more time together as a family over the holiday period. You have a great school here at Thorpdale and it works best when everyone is open and communicating. The staff are so keen to make this place brilliant and all the families I have spoken to want the same, so I see a really positive end to 2022 and a bright future going forward.

Enjoy it and thanks again :)
